

## 2011 DANCE COMPETITION MAKE-UP

Below is the list of make-up required for the 2011 Dance Competition team (*tap routines are listed below the jazz lipstick requirements will follow at a later date*). The make-up below can be purchased at any retail store that sells the brands/colors listed. The studio chose these at Wal-Mart, but most large retailers in the Des Moines area carry these brands. Some of the eye shadow and lipsticks color names are different. The colors are close enough to the makeup required last year so if you still have the Brown Tones eye shadow, Powerpink lipstick and Bravo lipstick, those will work for this season's makeup requirements.

Please note that if you are not able to find the *exact* make-up below, feel free to purchase another brand in the same color.

Thanks and please see Ms. Jamie or the reception desk with any questions.

## OOPS UPDATES: Make-up & Tights!

**Make-Up Update:** The brand names listed for the lipsticks on the ORIGINAL make-up memo were incorrect. The lipstick is from the NYC brand - not Covergirl. Please note the lipstick names and item numbers are correct. If you purchased an alternative lipstick brand in red or pink, those will work -we try to keep the color basic so no need to return or exchange if you've already purchased.

**Tights:** If you purchased tan tights after January 24<sup>th</sup> please check and ensure they are Tan not Light Suntan. The color is listed on the white label on the front of the package. If you have the Light Suntan tights, please bring them to the studio to exchange for the tan tights. If you are not sure what color you have, please bring the tights to the reception desk and they will confirm you have the correct tights and exchange if necessary.

I sincerely apologize for the errors, confusion, and inconvenience if you have any questions please see the reception desk or feel free to contact me.

Thank you,  
Miss Jamie
