* **SOLISTS & DUET/TRIOS:** Please arrive to the venue at least 90 minutes prior to your performance, if not earlier. You must be ready to dance at least an hour before your scheduled time.

The listed times are the **approximate times for your performances. Please understand that they are meant to be a guideline and the actual performance time may vary due to circumstances beyond the control of Talent On Parade.*

The competition will be held at Hy-Vee Hall in downtown Des Moines. Please be at the theater by the listed "arrive time". It is extremely important that everyone adheres to the listed arrive time promptly in case the competition is running ahead, as it gives us ample time to prepare for our performance. Please be available and ready to meet with Mr. Jay for a run-through and to go backstage to perform when deemed necessary.

All dancers should arrive in their Superstar competition jackets. (The only time performers should be seen in costume is when they are on stage performing...jackets should be worn at all other times. This will promote pride in the Superstars and the team.) All dancers should be ready to perform an hour before their scheduled time. Hopefully there will be space for us to meet for a run-through of each routine. You will be informed of this after you've arrived. After the run-through, the status of the competition will be checked and you will be given further instructions. We're asking that all Superstars from every team sit together in the same section and vicinity of the auditorium. This will make it much easier for Mr. Jay and/or Ms. Jamie to round up the dancers when it's time to go back stage. In addition, it will strengthen our team unity and will make our cheering section larger & louder!!!

All dancers are to be present for Awards. The Awards Ceremony is a highlight for the kids and is their reward for all the hard work they've put in. If you are unable to stay for Awards for some reason, please inform Mr. Jay or Ms. Jamie. All performers **MUST** wear their warm-up jackets on stage for the Awards Ceremony. The designated team captains listed above are responsible for claiming any awards given to the routine they are captain for and must know the routine name AND routine number. Team captains are randomly chosen by Mr. Jay for the sole purpose of claiming awards and will rotate among team members for each competition during the season.

TALENT ON PARADE DOES NOT ALLOW VIDEOTAPING OR CAMERAS OF ANY TYPE AT THE COMPETITION. ANY STUDIO CAUGHT VIDEOTAPING OR TAKING PICTURES DURING THE COMPETITION WILL BE DISQUALIFIED!!! Please adhere to this rule, as it will be strictly enforced. I would hate for all the kids' hard work to go unacknowledged for something as trivial as a videotape or picture. You will most likely be able to take pictures of the kids in the halls or lobby area of the auditorium, but not while they are on stage or in the dressing rooms.

I am really excited for the kids to perform this weekend and hope you are too! I feel that they are already winners, regardless of what the judges say. It has been my pleasure to work with them this year and can't wait for them to get out there and show their talent! Competition is supposed to be fun and a way to improve. If the outcome is not the desired one, do not get discouraged. Take any criticism constructively and use it to get better!

I am also a firm believer that all students should be supportive of those on their own team and all other Superstar dancers, as well as those from other studios. **I will not tolerate anything less!!!** If I hear negativity about other dancers, be it from our studio or another, I may be forced to make the executive decision to not let that dancer compete. Remember that we **ALL** represent the Superstars (*dancers and their families*) and our actions reflect on the studio. Let's make a good impression! Thanks again for all your cooperation... **Let's have fun!!!**

PLEASE REFER TO THE OTHER SIDE OF THIS NOTE FOR ADDITIONAL INFORMATION 

NO PEP RALLY/DRESS REHEARSAL FOR THIS COMPETITION

PROP DADS: We will need help loading the prop on & off the stage at the competition. If you're willing & able to help, please let us know!
